

AN INVESTMENT IN YOUR BANK’S FUTURE!

This Training Directors Forum will provide a platform and opportunity to exchange ideas freely, examine pressing issues in today’s ever-evolving training and development environment.

Peer-to-peer sessions have proven highly successful for IBA membership focus groups such as the CFO, Senior Lender, Human Resource Director, and Senior Retail Officer and Information/Cybersecurity/IT/Operations Officer Forums.

This event will be offered to attendees In-Person at the IBA Center for Professional Development.

July 11, 2023

November 16, 2023

March 6, 2024

Benefits of the Forum...

- Improve your effectiveness in your role as a Training Director, Training Manager, Training Coordinator, and/or Trainer
- Learn from your peers what is working for them, what training partners should you explore, what is not working for them
- From time to time an Industry Partners may be brought into the forum
- Solve your most pressing issue
- Form lasting relationships with other training professionals
- Discuss current industry challenges with other training professionals
- Grow professionally and personally

How the Forum works...

- The Forum will meet only three times a year
- Receive example documents created by the facilitator of Forum topics for each participant that can be modified and updated easily to help speed up and complete your training project
- Several topics will be discussed at each session; current, relevant, and hottest topics submitted by the participants...
- Facilitated discussion with supplemental documents and reference documents provided to enhance discussion
- Engaging Roundtable discussions and presentations from industry experts

Potential Forum Topics...

How to create, understand the value, when to use and industry partners to help create eLearning | Define, align, and communicate training measurements and their results to understand the effectiveness of your training | Create engaging and effective virtual training | How to Transfer Knowledge through activities verses ‘telling’ | Developing a Corporate Training Strategy that aligns with corporate goals | What is Microlearning and how to use it in your training | Create engaging training to improving Human Performance | Tools to help you with Project Management | How to create and produce Virtual Training | Engage Learning quickly | What is Scope Creep and how to manage | Is there value in having Certifications for you and for your learners | What is a Gap Analysis, how to conduct and analyze

Indiana Bankers Association
