

# 2025 TRAIN THE BANK TRAINER

## You should plan to attend if you are a:

- Training Coordinator
- Training Administrator
- Trainer
- Soft Skills Trainer
- Retail Trainer
- HR person responsible for orientation & onboarding
- Training Director
- Director of People Development
- Employee responsible for developing and training employees

Your learning and professional development role is more critical now than ever. Studies show that engaged employees making a difference in their role who feel connected to the mission, have access to a variety of benefits, and receive training and career development opportunities stay longer.

In this hands-on train-the-trainer workshop, learn to provide the knowledge and skills you and your training team need to create, deliver, facilitate, evaluate and manage successful training sessions for your bank employees.

## SEPTEMBER 24 & 25

# TRAIN THE BANK TRAINER

## You'll walk away with the following:

- An improved effectiveness in your training role.
- The importance of creating internal training partnerships.
- Knowing how to train to each learning style.
- Engaging all learners in the classroom.
- A resourceful network of other trainers.
- The knowledge of how neuroscience affects learning.
- Why utilizing generational information is vital in training.
- A renewed self-confidence.
- The ability to work more innovative in your training role.
- Growth, professionally and personally.
- Utilize adult learning styles to create engaging participant-centered content.
- Turn boring content, such as reading from the slide decks or policies and procedures, into interactive learning!
- Create evaluations utilizing Kirkpatrick's four levels to improve training and more.

Bring a laptop as you'll be creating modules, evaluations, etc., during the workshop!
