GET TO KNOW YOUR INDIANA BANKPAC

Indiana BANKPAC is the bipartisan political action committee (PAC) of the Indiana Bankers Association. It was developed to allow members of the Indiana banking community to pool their resources to maximize their impact on the legislative environment. Through voluntary contributions from member banks, associate members and individuals, Indiana BANKPAC supports candidates for the Indiana House of Representatives, Indiana Senate and statewide offices, as well as candidates for the U.S. House of Representatives and U.S. Senate who embrace positions favorable to business and the banking industry. It is registered with the [Indiana Election Division](#) and the [Federal Election Commission](#).

WHY INDIANA BANKPAC MATTERS TO YOU

Indiana BANKPAC is part of the IBA's three-pronged government relations strategy, along with grassroots advocacy and direct lobbying. Each component is equally important and necessary to the success of the Association's government relations efforts. Indiana BANKPAC is vital to the success and growth of your bank and our industry as a whole. The Indiana Bankers Association is the voice of the banking industry in Indiana, helping effect and guide public policy solutions on financial issues. The IBA Government Relations team identifies issues of importance then informs policymakers – including federal and state officials – to ensure our positions related to these issues are clearly understood. Indiana BANKPAC is one of the most powerful tools that can be used by the IBA to show support for the legislators who understand and support our industry.

Laws Directly Impact the Banking Industry

Several thousand laws and regulations are drafted every year by elected officials in Indiana and in Washington, D.C. Some are potentially positive for the industry, but others can be an outright assault on the way Indiana's banking industry does business. Indiana BANKPAC supports elected officials that value and protect the banking industry. Examples include:

- **Dodd-Frank Act:** There is no better example of becoming involved politically than the passage of this onerous federal legislation. The mountain of new regulations banks face is taking years to implement, while increasing costs for institutions, providing uncertainty about business and stifling growth for many. Dodd-Frank demonstrates how the actions of legislators directly affect the banking industry.
- **Economic Growth, Regulatory Relief & Consumer Protection Act:** While the burdensome effects of the Dodd-Frank Act were taking place, bankers in Indiana and nationwide responded with a renewed call to advocate on behalf of the industry. Years of grassroots advocacy ensued, with countless meetings, emails and phone calls, plus increased support of Indiana BANKPAC. In 2018 those efforts resulted in enough support in the U.S. House of Representatives and Senate to pass [S.2155](#), providing much-needed regulatory relief for community banks.
- **Public Deposit Insurance Fund:** The PDIF is an excellent example of how Indiana BANKPAC can help defeat harmful legislation, as well as influence the passage of beneficial legislation. In 2010, then-Gov. Mitch Daniels attempted to raid the PDIF to supplement Indiana's budget. The IBA successfully defeated this effort, preventing a profound negative impact on Indiana's depository institutions. In 2013 the IBA worked to safeguard the PDIF. [House Bill 1018](#) was passed and signed into law. This law protected the PDIF from future raids, repaid the original \$50 million loan over a 10-year period, reverted the interest from the pre-1977 Police & Firefighter Pension Fund back to the PDIF and lowered the Financial Institutions Tax from 8.5% to 6.5% over a four-year period.
- **Other Forms of State Legislation:** The efforts of the IBA's three-pronged advocacy strategy – direct lobbying, grassroots advocacy and Indiana BANKPAC – have been effective in several other legislative achievements. Victories include further reducing the state FIT rate from 6.5% to 4.9% and pre-empting local units from regulating the foreclosure and process and forcing lenders to maintain homes in foreclosure. Numerous pieces of concerning legislation have also been stopped from passing including state changes that would have made Section 42 Low-income Housing Tax Credits ineffective, restructure real estate investment trusts (REITs) for financial institutions and allowed federal-chartered credit unions the ability to accept public deposits.

Indiana BANKPAC Supports Those Who Support You

Legislators' backgrounds are as varied as the issues they legislate, and areas of knowledge differ vastly from legislator to legislator. Once elected, these individuals will cast votes that could change the banking environment. Misguided decisions can harm your bank and, in extreme cases, can lead to bank closure. It is imperative for Indiana BANKPAC to support elected officials who understand the banking industry and stand up for your business. A contribution from you provides resources to help a supportive candidate win an election or remain in office.

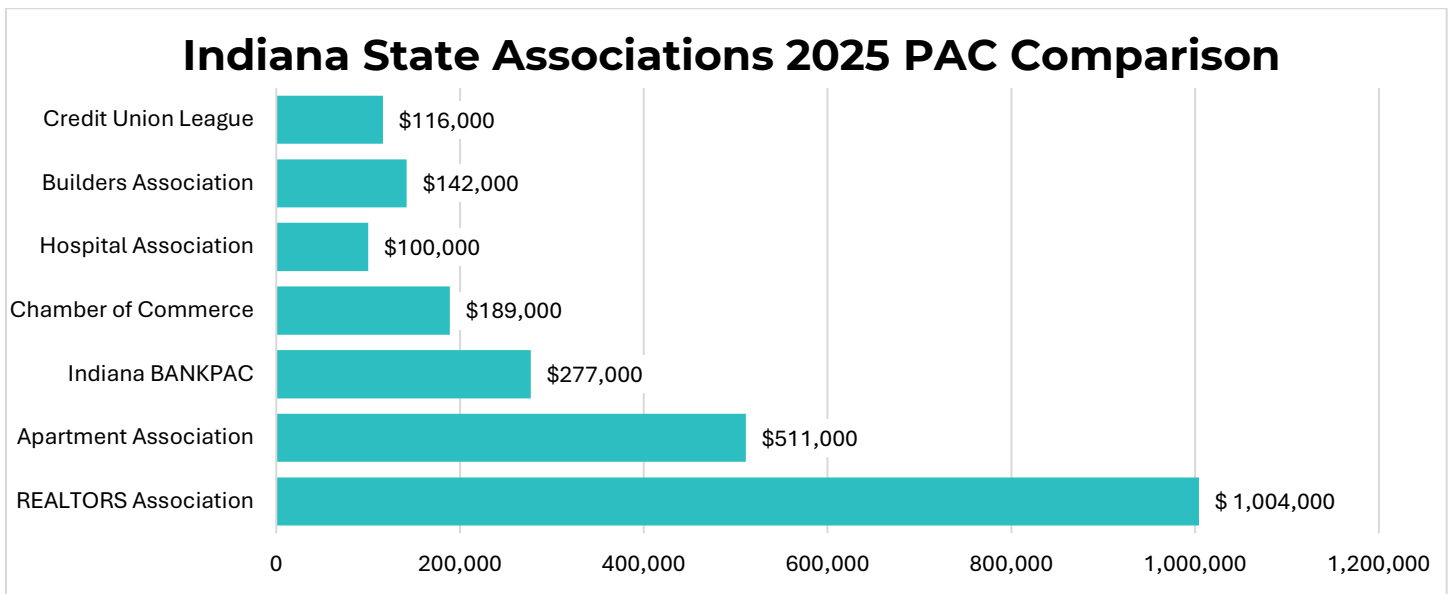

Regardless of Whether You Participate, Others Will

Entities with opposing viewpoints from Indiana's banks have their own PACs that contribute to candidates who are sympathetic to their causes. If the banking industry does nothing, our opponents – including credit unions, payday lenders, cryptocurrency and digital asset advocates etc. – will continue to build support within the ranks of the legislature.

“If you do not have a seat at the table, you are most likely on the menu.”

The following chart shows a comparison between Indiana BANKPAC and other trade associations in Indiana. This chart compares how each association stacked up in dollars raised for their state PACs based on 2025 totals reported in Indiana Campaign Finance annual reports. As the chart indicates, Indiana BANKPAC raised \$277,000 in overall state PAC contributions in 2025.

Participation Makes Your Bank Eligible for Awards

Banks that achieve their Fair Share goals - \$6 per million in Indiana deposits – will remain eligible for recognition as [IBA Five Star Members](#). Furthermore, banks achieving twice their Fair Share goals will earn the [BANKPAC 200% Club](#) award. Two special awards recognize the bank with Most Dollars Raised for Indiana BANKPAC as well the Highest Percentage of Fair Share Raised.

HOW INDIANA BANKPAC WORKS

Each year, the IBA sends out marketing materials, including this INDIANA BANKPAC kit, to IBA-member banks. Banks then use the materials to organize a BANKPAC campaign within their institution to raise funds for the cause. Contributions often are a mix of individual contributions as well as corporate contributions from state-chartered banks. All contributions are sent to the IBA and deposited into Indiana BANKPAC’s state or federal fund, where they are pooled with contributions from other bankers across the state. The IBA Government Relations team then reviews all candidates for office and determines which are supportive of the banking industry and merit the support of the Indiana banking community. After reviewing the candidates and available funds, a budget is put together to allocate campaign contributions and those contributions are distributed to candidates. By participating in Indiana BANKPAC, individual voices are combined with your peers, creating a unified and impactful voice for the banking industry that is clearly heard by the legislators who make important decisions on banking legislation.

HOW INDIANA BANKPAC FUNDS ARE USED

Indiana BANKPAC distributes the funds contributed to members of the Indiana General Assembly, statewide officeholders and U.S. Congress members who actively protect and promote the interests of the banking community. In 2025 Indiana BANKPAC contributed \$111,650 to Indiana House candidates, \$102,500 to Indiana Senate candidates and \$54,000 to Indiana’s statewide-elected officials and party caucuses. Funds were disbursed to more than 163 candidates representing both major political parties. In addition to state races, Indiana BANKPAC contributed \$100,000 to the political action committees of the American Bankers Association and the Independent Community Bankers of America to be used for federal candidates.

WHO CAN CONTRIBUTE TO INDIANA BANKPAC

Indiana BANKPAC is divided into two separate funds – a state fund and a federal fund – and it is important to be familiar with the rules of each before beginning the solicitation process. The [Federal Election Commission](#) and the [Indiana Election Division](#) have established the legal parameters for the solicitation process.

Indiana BANKPAC Federal Fund

Only members of the restricted class with prior authorization are permitted to contribute to the Indiana BANKPAC Federal Fund.*

The restricted class includes any IBA-member bank executive or administrative personnel and their families. These include employees who are paid on a salary (rather than hourly) basis and who have policymaking, managerial, professional or supervisory responsibilities

(officers, branch managers, division or group managers); board members; and professionals, such as lawyers or accountants, who are employed by the bank. Non-board stockholders are also included if they have (1) a vested beneficial interest in the stock; (2) the power to direct how the stock will be voted; and (3) the right to receive dividends. Employees eligible to contribute to the Indiana BANKPAC federal fund should use the individual contribution form for the restricted class. Corporate contributions are prohibited for the Indiana BANKPAC Federal Fund.

Individuals eligible to contribute to the Federal Fund may contribute up to \$5,000 annually. More information on how to contribute to the Federal Fund can be found on the [Federal Solicitation Authorization form](#).

Indiana BANKPAC State Fund

Any individual, regardless of job title, is eligible to contribute to the state fund at any time, and there are no limits. Corporate contributions are permitted from state-chartered institutions, but contributions must adhere to limitations shown on the [Corporate Contribution Form](#). Holding companies with their own bylaws that are separate entities from the bank are also permitted to make corporate contributions. Federally chartered institutions are prohibited from making corporate contributions.

*Indiana BANKPAC must obtain written authorization from IBA-member banks to solicit for the Federal Fund. If interested, please complete the Federal Solicitation Authorization form ([online](#) | [PDF](#)) and return it to the IBA. All contributions from personnel of banks that have not granted prior permission to solicit federal funds or contributions from employees who are not part of the restricted class of eligible employees will be designated to the State Fund.

WAYS TO CONTRIBUTE TO INDIANA BANKPAC

The IBA offers several ways to contribute to Indiana BANKPAC, all of which can help increase participation in your bank and help achieve your institution's fundraising goal. This document includes forms for these fundraisers, but banks are encouraged to utilize our [online fundraising platform](#) for credit card donations. Individuals can participate in several of the fundraising options found below. If you are interested in promoting credit card donations to your employees, watch and share the video in the center of the fundraising webpage linked above.

Direct Contributions

A single deduction can be made at indiana.bank/BANKPAC or by writing personal checks to Indiana BANKPAC. Direct contribution solicitation by your bank to your employees is a convenient way to start a fundraising drive within your institution. You can utilize any avenue of communication appropriate for your organization, but one of the simplest and most effective methods is the sample letter found at the end of this document. The letter – which can be personalized – outlines the importance of Indiana BANKPAC involvement and the process of a single contribution for your employees.

Corporate Contributions

A state-chartered bank or thrift can make a corporate contribution to Indiana BANKPAC. National banks and federal thrifts are prohibited from making corporate contributions. Holding companies that are separate entities from the bank and have their own bylaws are also permitted to make corporate contributions. Corporate contributions can be made to Indiana BANKPAC or directly to candidates but cannot exceed \$22,000 annually. Full details on contribution limits can be found on the [Corporate Contribution Form](#).

Payroll Deduction

This option is automatic, painless and easy to administer. Rather than contributing all at once, payroll deduction offers the option of having a contribution deducted from each payroll check throughout the year. Many people find that contributing \$1, \$5 or \$10 per pay period is easier than writing a check in the sum of this amount in a single, annual contribution. Just as many individuals contribute a certain amount each pay period to a retirement account for assurance of the future, payroll deduction for Indiana BANKPAC is assurance of the future of the banking industry.

Participating institutions may implement the payroll deduction program for employees. Most banks that currently participate in the payroll deduction program collect contributions internally and remit a check to Indiana BANKPAC. The same letter at the end of this document also outlines the importance of participating in payroll deduction. Employees can sign up using the Individual Contribution Form.

Instructions for Implementing Payroll Deduction at Your Bank

- Assign a deduction code to Indiana BANKPAC contributions as you would with any other deduction (e.g., medical insurance, 401(k) contributions). **Contributions to the PAC do not qualify as pre-tax deductions.** Once the deduction code has been assigned, enter the amount being contributed per pay period.
- For those employees who choose to participate in Indiana BANKPAC through payroll deduction, please send to Indiana BANKPAC an initial list of contributors as well as the following information:
 - name,
 - job title,
 - home address,
 - employer,
 - contributor's title,
 - date of contribution, and
 - contribution amount.
 - **NOTE:** *Subsequent donations need only include name and amount.*

- Your bank must forward payroll deductions within 10 days of the pay period. To send via ACH or wire transfer, contact Tim Fry at TFry@indiana.bank or 317.387.9380. Contributions also may be collected, made payable to Indiana BANKPAC and mailed to the IBA at 8425 Woodfield Crossing Blvd., Ste. 155E, Indianapolis, IN 46240.
- Any employee who wishes to discontinue payroll deduction contributions to Indiana BANKPAC must provide a written statement to their payroll deduction staff.

Indiana BANKPAC Sweepstakes

The IBA hosts a sweepstakes drawing to win a free trip to a different location each year. Past trips have included excursions to the Canadian Rockies, French Riviera, Hawaii, Switzerland, Costa Rica, New England, Rome and Portugal. **This year, the winner will receive an 8-day experience in Ireland.** Want to participate but not interested in travel? The winner can opt for a cash prize of \$5,000 instead. Sweepstakes entries are \$25 each. Credit card and check payments are accepted with all proceeds going directly to Indiana BANKPAC. Entries should be purchased by bank employees and directors only, increasing the odds for those who participate. Entries into the sweepstakes will be accepted until Sept. 13. All checks for sweepstakes entries must be made out to Indiana BANKPAC. Entry into the sweepstakes may be completed online at indiana.bank/Sweepstakes or by using the [Indiana BANKPAC Sweepstakes form](#).

Silent Auction

The IBA conducts a silent auction each year at the IBA's Annual Convention in French Lick, this year on Monday, Sept. 14. Items available for bid range from golf clubs and children's toys to art and jewelry. Every dollar given for the purchase of silent auction items supports Indiana BANKPAC. All monetary donations will be counted toward your bank's fair share goal. Item donations will be counted, but the credit will be given for the highest bid that the item receives. More information on supporting the silent auction can be found on the [Silent Auction Donation Form](#).

SOLICITATION GUIDELINES AND RULES FOR YOUR BANKPAC CAMPAIGN

To ensure compliance with state and federal law, follow these rules and guidelines when operating your campaign.

All Contributions Must Be Voluntary

Absolutely no form of coercion may be used to solicit a contribution. It must be clear to all employees that they will not be favored, disadvantaged or retaliated against based on their contribution amounts or a decision not to contribute. A suggested contribution is just that: a suggestion. An eligible employee is free to contribute more, less or none.

Checks Should Be Made Payable to Indiana BANKPAC

For contributions to be deposited, checks must be written to Indiana BANKPAC. This applies to general contributions, corporate contributions, sweepstakes entries, and silent auction donations and purchases. The only exception is if you intend to send contributions with your IBA dues payments, which should be written as instructed with your dues billing.

All Contributions Should Include Required Information for Reporting Purposes

Federal law requires Indiana BANKPAC to use its best efforts to collect and report the name, home mailing address, occupation, and name of employer for each individual whose federal contributions exceed \$200 in a calendar year. State law requires us to use our best efforts to collect and report the same information for individuals whose state contributions exceed \$100 in a calendar year. It is recommended to send this information regardless of the dollar amount, if possible.

Contributions Should Be Sent Within the Time Limits

Contributions should be forwarded in a timely manner. Contributions under \$50 should be forwarded within 30 days; contributions over \$50 should be forwarded within 10 days of receipt.

TIPS FOR A SUCCESSFUL BANKPAC CAMPAIGN

Following these tips can help your bank recruit individuals who will be willing contributors to Indiana BANKPAC. The goal is to show them the importance of Indiana BANKPAC, why your bank believes in its mission, why individual bankers should participate and how BANKPAC can benefit them.

BANKPAC Campaigns Should Start at the Top

The most important first step is to remember that success begins with leadership. If the CEO makes contributing to Indiana BANKPAC a priority and shares why it is important with directors, officers and staff, they will listen.

Make Time to Talk About Indiana BANKPAC

Reserve time at your next board or staff meeting to discuss how supporting Indiana BANKPAC is equal to investing in your bank's future. Discuss the bank's goal and ask for everyone's help in reaching it. Kick off your campaign by circulating a CEO memo stating the importance of banker political action. If you write letters to Congress or the Indiana General Assembly about a banking issue, circulate copies of the letter and responses to employees to keep them informed about banking issues and remind them how important it is to be politically active.

Schedule an IBA Government Relations/Indiana BANKPAC Presentation at Your Bank

Invite members of the IBA Government Relations team to speak to your staff about Indiana BANKPAC, pending legislation, an upcoming election or industry issues. This provides an opportunity to stress the importance of political involvement and donations to Indiana BANKPAC. To schedule a time for the IBA GR Team to speak at your bank, please contact Dax Denton or Jackson Norman at 317.387.9380.

Make Fundraising Fun and Informative

Do not simply ask for money; explain the political process and why bankers need to be involved. Share the [Indiana BANKPAC video](#) to explain how it works and why it is important in a fun, entertaining way. In addition, the [IBA Member Benefits Report](#) provides an overview of how your membership and participation in BANKPAC directly impact your institution and supports the entire banking industry.

Participate in Blue Jeans for BANKPAC

Consider allowing your employees to participate in the annual [Blue Jeans for BANKPAC Day](#), which this year will be July 16. The program was created to spread awareness for the PAC throughout your bank.

There is Strength in Numbers

When soliciting contributions from lower-level employees, keep in mind that the premise of a PAC is building strength through numbers. The IBA welcomes donations of all sizes.

Set Goals for Your Bank and Compete for Awards

The IBA sets fair share goals for each bank at the beginning of the year calculated at \$6 per million in Indiana deposits. Banks that achieve this goal remain eligible for the [IBA Five Star Member](#) award. The Association also created the [200% Club Award](#) to recognize banks that contribute at least double their fair share goal. Two special awards recognize the bank with Most Dollars Raised for the PAC as well as the bank with the Highest Percentage of Fair Share Raised. Determine the goal that you would like your bank to achieve, and work to fulfill it. If your financial institution reaches its goal, celebrate with a casual dress day, ice cream social or other event.

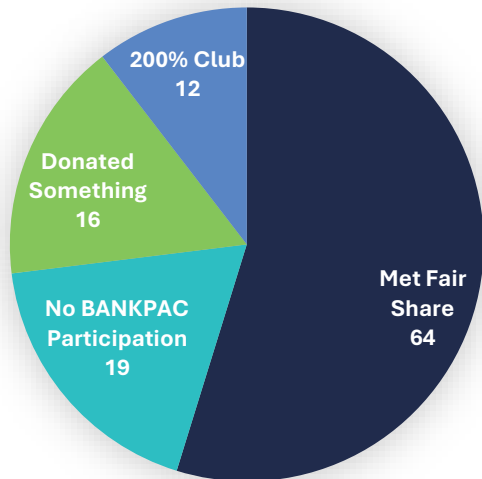

Encourage Individuals to Reach New BANKPAC Club Levels

Encourage bank officers, directors and executive personnel to increase their personal support by reaching new individual giving levels!

2025 INDIANA BANKPAC CAMPAIGN SUMMARY

IBA-member banks, associate members and their respective employees raised more than \$353,000 in 2025. Out of the Association’s total bank membership of 115 banks, 85 donated to Indiana BANKPAC. Fair share goals in 2025 were based on the calculation of \$6 million of Indiana deposits. There were 64 banks in total that met their fair share goals, including 12 banks that qualified for the BANKPAC 200% Club. 16 banks supported the PAC without hitting their fair share goal, and another 19 did not participate in the PAC last year.

SAMPLE LETTER FOR GENERAL BANKPAC CAMPAIGN

To: All Managers and Officers
From: Bank President/CEO
Re: Indiana BANKPAC Fundraising Campaign

We are kicking off our 2026 Indiana BANKPAC fundraising campaign for our bank. I hope that you will consider taking part in this important program. I made my personal contribution, and I hope that you will do the same.

Indiana BANKPAC is the bipartisan political action committee of the Indiana Bankers Association. It supports campaigns and communicates important banking issues to legislators. I am contributing, because I count on Indiana BANKPAC to monitor and promote issues that protect our role as community bankers.

We continue to see legislative and regulatory changes in our business. As a leader at our bank, I know that you are aware of past financial reform legislation. We have seen the Dodd-Frank Act, we have successfully fought to protect the Public Deposit Insurance Fund, as well as other issues requiring action on behalf of our industry to preserve a prudent banking environment. We were even able to witness the Economic Growth, Regulatory Relief, and Consumer Protection Act in 2018 which brought much needed support to our industry.

Our 2026 campaign goal is \$_____, which averages \$_____ per manager (or \$_____ per payroll). Please know that I am sensitive to your financial circumstances and the many demands on your budget. Regardless of the dollar amount, I am hopeful that everyone will participate to increase our bank's influence over these important issues.

For some managers, a contribution of \$50 may be appropriate, while vice presidents and above might consider \$250 or more. Whatever the amount, I thank you for your support as we strive to impact the banking industry. There are a variety of options for you to give. Choose one or any combination—all benefit Indiana BANKPAC and the banking industry:

1. Sign up for payroll deduction;
2. Make a one-time contribution to Indiana BANKPAC;
3. Purchase Indiana BANKPAC Sweepstakes entries at \$25 per entry to win a trip or \$5,000 cash.

Your reply form can be returned to our designated person or you may show your support at indiana.bank/BANKPAC. At this link you can make a one-time donation or a recurring donation to Indiana BANKPAC via credit card. A bank officer or I can attend your management or department meetings to help explain the importance of Indiana BANKPAC and to promote the Indiana BANKPAC Sweepstakes. While only officers, managers and directors are eligible to contribute to the Indiana BANKPAC federal fund, all employees may support the Indiana BANKPAC state fund and Indiana BANKPAC Sweepstakes. We had strong participation last year, and I appreciate your help in promoting the future of our bank and the industry.

My personal thanks for supporting Indiana BANKPAC. It is one of the best investments you can make for the future of the banking industry!

Sincerely,

Bank President/CEO
