

CYBER, FRAUD & PHYSICAL SECURITY CONFERENCE

AUGUST 28-29, 2024

The IBA Cyber, Physical Security and Fraud Conference has a lot of "new" for 2024! New location, new two-day format and new content from speakers in each category!

CYBER

Delve into the latest trends and challenges in cyber security, with more breakout sessions this year focused on cyber/IT topics.

FRAUD

Fraud losses continue at an all time high. Sessions dedicated to fraud topics will provide information on current trends and provide you with best practices and fraud prevention and detection strategies for your bank.

PHYSICAL SECURITY

Technological advances for the physical security professionals will be highlighted, with subject matter experts and law enforcement professionals exploring the trends and mitigation strategies for banks of all sizes.

WHY CHOOSE THIS CONFERENCE?

The combination of private sector experts and law enforcement personnel participating in the 2024 Conference will provide you with a unique opportunity to enhance cyber, fraud and physical security practices, foster collaboration, and exchange knowledge on effective strategies. Whether you're interested in innovative technology solutions, community outreach programs for your bank or policy development, this conference promises valuable insights and networking connections. Don't miss out!

The Embassy Suites offers more "behind the scenes" services to make the conference more attractive, while the new two-day format will include general sessions combined with breakout sessions.

- ✓ Cyber/IT Breakouts
- ✓ Fraud Subject Breakouts
- ✓ Physical Security Breakouts
