

EMERGING LEADERS A Digital Program

Session 1: June 18, 2024 Session 2: July 16, 2024 Session 3: August 13, 2024 Session 4: September 17, 2024 Session 5: October 31, 2024 Session 6: November 14, 2024

SESSIONS

The Emerging Leaders Digital Program is designed for key staff in your bank who are emerging as potential leaders. It is designed to deliver essential management skills from accomplished leaders that will enable the emerging leader to more rapidly develop. Participants will engage in 1½ hour video conference calls covering specific management topics once a month for 6 months. If you are unable to attend the scheduled video conference in a given month, a recording of the session will be made available to you. All sessions will start at 3:00 p.m. (Eastern Standard Time).

Homework assignments taking approximately 1 hour to complete will be assigned following each session. Participants will share a 1-2 minute report at the beginning of each meeting detailing how they have applied the takeaways from the prior meeting to their day-to-day activities in the bank Participants will gain experience with management/ leadership competencies without ever being out-of-office. At the conclusion of the program, participants will have leadership plans in place preparing them to take the next leadership steps at their banks.

TARGET AUDIENCE

It is designed for future bank leaders who are motivated and eager to reach full potential. An ambition to excel is a requisite for this series, as is the desire to face and learn from challenges.

The ideal candidate for this program should have:

- The courage to overcome personal weaknesses;
- A competitive attitude that allows for productive teamwork; and
- A collaborative spirit that centers on problem-solving, with input from all levels of the bank.

FACULITY

Juli Lynch, Ph.D., embraces a passion for working with organizations to develop leaders, teams and cultures that are dynamic, risk-taking and fully engaged in strategic initiatives. Juli has a doctorate in human and organizational development, which has given her the disciplined foundation of understanding organizations and the humans that they are made of. Her master's degree in motivational psychology further enhances her ability to work with the issues and challenges that keep leaders, managers and staff from reaching their potential.

Jackson Hataway, Ph. D., Executive Vice President at the Missouri Banking Association. Jackson holds a doctorate in organizational communication from the University of Alabama. He specializes in internal and external communication, organizational development and strategic planning. He has a unique ability to couple real-world practicality with new theories of corporate growth and change.
