Essentials of Banking Series

In association with Performance Solutions, Inc., Drexler Consulting, LLC is excited to again present one of our legacy programs, **Essentials of Banking**, new and improved for 2025!

2025 Series

Essentials of Banking is a six-part interactive virtual learning series designed to provide a complete overview of banking principles and operations. Each session is three hours in length and will run from 2pm - 5pm ET.

**INDIANA BANKERS
ASSOCIATION**

Benefits of the Series:

- Establish a strong foundational knowledge of banking in the United States
- Expand banking skills and knowledge in a focused learning environment
- Interact and network with other bankers in a virtual environment
- Understand the variety of banking career opportunities
- Improve cross functional contributions and performance
- Prepare for Graduate Schools of Banking
- Know how your bank makes money
- Interpret your bank's financial statements
- Define commonly used banking terminology
- Develop a mindset of service to all stakeholders
- Contribute to your bank's growth and profitability

Who Should Attend:

New bank employees in all roles/departments and bank directors new to banking, management trainees and bank veterans who are looking to broaden their banking knowledge.

Attendees are required to:

- Have Zoom virtual meeting access
- Interact with facilitator and other participants in a live, virtual environment
- Actively participate in all activities and exercises
- Complete assignments
- Have full, working computer microphone and speakers or phone access
- Participate in chat discussions

For the best training experience and learning results, attendees are highly encouraged to have their video cameras on during training. To receive a full overview of banking, it is recommended that participants attend all six sessions of the series, beginning with session one. However, one session is not a prerequisite for another. Each session may be attended as a stand-alone class.

Meet Your Presenter

Christie Drexler is the Owner of Drexler Consulting, LLC, a financial services consulting and training business focused on developing purpose-driven, competent, servant leaders in all roles of banking. In association with Performance Solutions, Inc. and Dianne Barton, Christie has offered training and consulting services through Drexler Consulting, LLC, for the past five years.

In addition, Christie has 26 years of direct experience in the financial services industry, working for both community and large regional banks. Her experience has been expansive to include successfully navigating retail and commercial banking careers. She has served as Division President, Market President, Chief Credit Officer, Chief Retail Officer, and Regional Sales & Services Manager. Christie has a B.S. in Finance from Berry College and an MBA from Georgia College and State University. She is a passionate facilitator and coach who strives to live the values and leadership strategies she teaches in her training programs.
