## Facilitator: Eric Cook

Eric Cook often times refers to himself as a “recovering banker” and worked for a publicly-traded community bank for 15 years. During that time he held a number of positions, including Marketing Director, as well as senior management, technology, HR and customer service. Now as a digital marketer and public speaker in the banking and fintech space, Cook remains closely connected to the online trends that are evolving for today's community bank and how to attract, engage and retain the new “digital consumer.” He looks forward to bringing not only his expertise to the table to benefit Forum members, but his connections in the community banking and marketing arenas to ensure that forum discussions are on-topic and full of beneficial information for its participants.
